Instructions for Use

Please follow these instructions to ensure safe application of Couple Case to your phone.

Attaching your phone

1. Insert your phone into the upper corners of your Couple Case.
2. Press down the bottom of your phone gently into the lower lip of your Couple Case.

Pairing with Couple Wallet

1. Insert the Couple Smart Lock™ on the back of Couple Wallet into the matching hole on the back of Couple Case. Couple Wallet should be at a 45° angle with the opening point upwards and left.
2. Turn clockwise until you feel Couple Wallet clip securely into place.
