

## Pairing with Couple Case\*

Attach Couple Wallet to Couple Case  
and rotate clockwise to lock

## Couple Wallet

\*Couple Case sold separately

### **Instructions for Use**

Please follow these instructions to ensure safe application of Couple Wallet to your case.

### **Pairing with Couple Case\***

1. Insert the Couple Smart Lock™ on the back of Couple Wallet into the matching hole on the back of Couple Case. Couple Wallet should be at a 45° angle with the opening point upwards and left.
2. Turn clockwise until you feel Couple Wallet clip securely into place.
3. Insert up to 2 credit cards into the Card holder.
